Supervision in School

- **Houses:** Either the Head of House or the Deputy Head of House (plus two House Assistants in the evenings) are always on duty during term time. They cover the Houses and are responsible for the students at all times during boarding hours. The direct or remote supervision is dependent upon the age of the students and their scheduled activities.
- **Dining Room:** There is a member of staff on duty every day who supervises the dining hall at break times; all staff present supervise the Dining Room at the three main meal times.
- **Practice Rooms:** There is always a team of Practice Assistants on duty during working hours. Out of working hours the practice rooms are supervised by House Assistants including at weekends.
- **Other areas/situations:** global supervision afforded by all employees' duty of care to all students.
- **Supervision of juniors at break and lunchtimes:** staff are on a rota
- **Security:** There are security personnel on duty all year round 24 hours a day seven days a week.

Supervision on Trips out of School:

The **Educational Visits Policy** stipulates that wherever possible the ratio of staff to students on all trips out of school in the UK will be 1:10 for students up to the age of 11, and 1: 20 thereafter with flexibility for groups of just sixth form students.

For all trips abroad: the ratio is 1:10 for any age group.
